

Tracker page for _____

I have completed this level on a2bsafely.com. Now I need your help. Please read my Tracker page with me and talk to me about it. It will help me to remember what I have learned. Encourage me to learn about road safety.

Stop, think, look, listen

Stop at the kerb. Think what to do next. Look both ways to check for traffic. Listen for traffic noise. When the road is clear and you can't hear any traffic coming you can cross.

Lollipop crossing

Wait until the Lollipop person says it is safe to cross. Keep looking as you cross.

Traffic lights

Press the button and wait for the green man to show. When the green man shows and the traffic has stopped you can cross the road.

Crossing on a hill

Move to a safer place where you can see the traffic coming from all directions.

Zebra crossing

Stop on the kerb. Think what to do next. Look both ways to check the road is clear. Listen for traffic noise. When the road is clear and you can't hear any traffic coming you can cross.

Next steps

You are beginning to learn but you are not ready to go on the road on your own. You need someone to help you to practise. This could be someone in your family who looks after you, a teacher or a responsible family friend. Show them your Tracker page or ask them to log on to www.a2bsafely.com In this way you are helping them, to help you.
