

Tracker page for _____

I have completed this level on a2bsafely.com. Now I need your help. Please read my Tracker page with me and talk to me about it. It will help me to remember what I have learned. Encourage me to learn about road safety.

Being seen

Make sure that you wear something bright so that traffic can see you.

Stop, think, look and listen

Stop at the kerb. Think about where you are. Look around and listen for traffic.

Using a pedestrian bridge

Look around you. If there is a bridge nearby use it. It is safer.

Hearing traffic

Some roads are much more busy with traffic. Listen carefully for traffic sounds.

Green man

If the red man is showing press the button and wait for the green man.

Next steps

You are beginning to learn but you are not ready to go on the road on your own. You need someone to help you to practise. This could be someone in your family who looks after you, a teacher or a responsible family friend. Show them your Tracker page or ask them to logon to www.a2bsafely.com In this way you are helping them, to help you.
