

Tracker page for _____

I have completed this level on a2bsafely.com. Now I need your help. Please read my Tracker page with me and talk to me about it. It will help me to remember what I have learned. Encourage me to learn about road safety.

Stop, think, look and listen

Stop at the kerb. Think about your surroundings. Look both ways and listen for traffic.

Dropping something

If you drop something onto a busy road leave it there.

Distractions

Always stay on the pavement and move back from roadside to use your mobile phone.

Crossing without the help of a green man

Stop, think, look and listen. Make sure there is no traffic before you cross. You have to be extra careful here.

Distractions

Do not be tempted to read or send a text message whilst you are crossing the road. It is dangerous.

Next steps

You are beginning to learn but you are not ready to go on the road on your own. You need someone to help you to practise. This could be someone in your family who looks after you, a teacher or a responsible family friend. Show them your Tracker page or ask them to log on to www.a2bsafely.com In this way you are helping them, to help you.
