

# Tracker page for \_\_\_\_\_

I have completed this level on a2bsafely.com. Now I need your help. Please read my Tracker page with me and talk to me about it. It will help me to remember what I have learned. Encourage me to learn about road safety.

## Making judgement

You are learning to judge if a road is safe to cross. Stop, think, look and listen.

## The green man

Even when the green man is showing it is important to check that the traffic has stopped.

## Making judgements

You see a car that is indicating what the driver intends to do. Wait on the kerb until the car moves off.

## Making judgements

Some drivers do not indicate what they intend to do. It is important not to guess what the car will do. Wait on the kerb until the car moves off.

## Crossing near a roundabout

Stop, think, look and listen.. This is a difficult place to cross. You must look all around you.

## Next steps

You are beginning to learn but you are not ready to go on the road on your own. You need someone to help you to practise. This could be someone in your family who looks after you, a teacher or a responsible family friend. Show them your Tracker page or ask them to log on to [www.a2bsafely.com](http://www.a2bsafely.com) In this way you are helping them, to help you.
