

Tracker page for _____

I have completed this level on a2bsafely.com. Now I need your help. Please read my Tracker page with me and talk to me about it. It will help me to remember what I have learned. Encourage me to learn about road safety.

Landmarks

When you are returning to your bus stop look for signs and shops you recognise.

Bus shelter

Check you are at the right place to catch your bus.

Asking the driver

The driver is there to help you. Ask the driver if you are unsure of anything about your journey.

Belongings

Make sure you keep your bags with you and that they don't block the passage.

Watching the time

You might be distracted by a friend or a nice shop. Make sure you have enough time to return when you are expected.

Getting off

Wait for the bus to stop. Then get out of your seat and step down off the bus onto the pavement and stand away from the kerb.

Next steps

You are beginning to learn but you are not ready to go on the road on your own. You need someone to help you to practise. This could be someone in your family who looks after you, a teacher or a responsible family friend. Show them your Tracker page or ask them to log on to www.a2bsafely.com In this way you are helping them, to help you.
