

Tracker page for _____

I have completed this level on a2bsafely.com. Now I need your help. Please read my Tracker page with me and talk to me about it. It will help me to remember what I have learned. Encourage me to learn about road safety.

Time

Check the time of the bus home and give yourself plenty of time. You might have to cross the road.

Zebra crossing

After you have checked that nothing is coming step off the pavement and keep looking as you cross.

Bus shelter

Check the shelter number, check the bus stop and the bus number. You might have to wait.

Asking people

The driver will be glad to answer any questions you might have.

Traffic light crossing

A bumpy pavement indicates that you have reached a crossing point.

Red man

If the road is clear and the red man is showing it is not safe to cross. Stay on the pavement and wait for the green man.

Next steps

You are beginning to learn but you are not ready to go on the road on your own. You need someone to help you to practise. This could be someone in your family who looks after you, a teacher or a responsible family friend. Show them your Tracker page or ask them to log on to www.a2bsafely.com In this way you are helping them, to help you.
