

Tracker page for _____

I have completed this level on a2bsafely.com. Now I need your help. Please read my Tracker page with me and talk to me about it. It will help me to remember what I have learned. Encourage me to learn about road safety.

Stop, think, look, listen

Stop, think, look and listen. Cars can come in and out of driveways. Treat a driveway as if it was a road.

Being prepared

When you leave the house, check that you have told someone where you are going. Make sure you have everything that you need.

Keep your head up

Look where you are going as you are walking along the pavement.

Cycle lanes

Bicycles make less noise than cars. Remember to look out for bikes.

Large vehicles

Trucks, lorries and fire engines must be treated with extreme caution when you are crossing at a driveway.

Next steps

You are beginning to learn but you are not ready to go on the road on your own. You need someone to help you to practise. This could be someone in your family who looks after you, a teacher or a responsible family friend. Show them your Tracker page or ask them to log on to www.a2bsafely.com In this way you are helping them, to help you.
